

BCRD Summer Day Camp Refund Policy

Pursue the Active Life

At the BCRD our goal is to provide intentional and fun programming we pride ourselves in our ability to make programming accessible to as many participants as possible. It is imperative to the structure of our program that we know how many participants are attending so that we can staff accordingly. We understand that things happen and opportunities present themselves, if your child is still interested in attending camp and there is still space we will work with you to switch your camper to a later session. In the event that this is not an option we have outlined our guidelines for refunds below:

Withdrawal

- If you chose to withdraw your child within one week (7 days) of the start date/session they are enrolled in we do not offer a refund.
- If you chose to withdraw your child within a month (30 days) of the start date/session they are enrolled in we offer:
 - The option to transfer your child to an alternative session or:
 - A full refund less a 10% processing fee.
- If you chose to withdraw your child greater than a month (30 days) prior to the start date/session they are enrolled in we are able to offer a full refund.
- A full refund will be made for a specified session in the event that the BCRD cancels said session.

Medical Cancellation

- Please let us know as soon as possible in the event that you need to cancel for medical reasons so that we can plan accordingly.
- Full refunds can also be arranged in the event of a medical emergency with a written note from a physician.
