

This year, the Sun Valley Nordic Festival celebrates the more than 200km of Nordic trails in and around Sun Valley, one of the largest and most diverse systems in the United States!

We invite you to accept the "Trails Challenge" this year and try to ski 200km this season! You can ski every trail or ski your favorites over and over to reach a total of 200km!

Those that reach the goal will be entered in a drawing for prizes awarded both at the end of the season and for those that can do it, at the Boulder Mountain Tour Awards Ceremony on February 6th.

Fill out the tally sheet on the back of this form. When you reach 200km, simply cut out this form and send it to the BCRD at 1050 Fox Acres Road, Hailey ID 83333.

More info at bcrd.org or SVNordicFestival.com

January 30 - February 7, 2010

Join us for a week for the whole family filled with Nordic skiing, demonstrations, races, seminars, music, and activities all culminating with the Boulder Mountain Tour.
