

BCRD 2021 Summer Camp

Additional COVID-19 Specific Protocols

Pursue the Active Life

www.bcrd.org (208) 578-2273

As a parent and/or guardian of a child attending BCRD 2021 summer camp, I agree to abide by and follow these additional BCRD COVID-19 specific protocols as outlined below to help decrease the spread of virus transmission including the following:

- I will be alert for signs of illness in my child and I will screen my child using the following questionnaire. If I answer **YES** to any of the following questions, I will keep my child home from the activity until I can answer **NO** to all of the questions.
- I will inform the BCRD if my child has been in contact with anyone COVID-19 positive in the last 10 days or if my child tests positive for COVID-19.
- I will provide a clean face covering that covers the nose and mouth every day for my child.
- I will not be allowed inside the Community Campus to drop-off or pick-up my child.
- I will drop off my child curbside at the east entrance of the Community Campus between the hours of 8:00-9:30 a.m. and I will pick up between 4:30-5:30 p.m. on Monday – Thursday and Fridays from 3:00-4:00 p.m.
- I will provide a clean and filled water bottle (minimum of 12 ounces) each day for my child.

1. Now, or in the past 24 hours, has your child experienced either of these symptoms:

- Yes **Shortness of breath or difficulty breathing**
- Yes **Fever (100.4° F+)**

2. Or two or more of the following symptoms:

- Yes **Cough**
- Yes **Chills**
- Yes **Muscle pain**
- Yes **Sore throat**
- Yes **New loss of taste or smell**
- Yes **Gastrointestinal issues** (diarrhea, nausea, etc.)
- Yes **Headache**

3. In the last 10 days, has your child been in close contact with anyone who is confirmed COVID-19 positive?

- Yes

Registration and Payment

- Camp enrollment is limited this year to allow us to create small groups to encourage social distancing. Enrollment is available on a first-come, first-serve basis.
- All campers must pre-register for camp by the week or the entire summer. No daily drop-ins will be allowed.
- Weekly camp registration closes at 4 p.m. Friday prior to the following week's camp.
- In the case of a camper being denied access to camp due to a positive case of COVID-19, parents can request a refund or credit for the pro-rated amount of their enrollment fee.

Minimizing virus transmission

- Staff and campers are required to wear face masks at all times while indoors including when using the bathroom or when traveling through common space in the Community Campus.
- When staff and campers are outside and can maintain 6-feet of physical distance, facemasks can be removed.
- Campers will be required to abide by local face mask guidelines when out in the community for field trips. When at the Aquatic Center, campers will be allowed to remove their face mask when they are swimming or eating.
- Campers are required to bring their own clean mask every day to camp.
- Campers will participate in most camp activities within pods of 15 campers. During registration, parents may request for their child to be paired with a friend if the campers are in the same camp age group. Some pods will come together by age group at the beginning and end of each day to support the drop-off and pick-up procedures.
- No water fountains will be used during camp. Campers will be required to bring their own clean, labeled water bottle (minimum of 12 ounces) each day and can refill them in the water bottle filling station outside of the HUB.

Drop off and Pick Up Procedures

- Parents are not allowed inside the Community Campus to drop-off or pick-up their child(ren).
- Curbside drop-off and pick-up will occur outside the east side of the Community Campus in the parking lot curb closest to the east side of the gymnasium wall. Parents will be asked to follow more specific directions for drop off locations that will be communicated prior to camp.
- Drop-off will be available between 8:00-9:30 a.m. and pick up will be available between 4:30-5:30 p.m. on Monday – Thursday and Fridays from 3:00-4:00 p.m. Any camper drop-offs or pick-ups outside of this timeframe are discouraged. If absolutely necessary, parents can call the Front Desk to arrange late drop off or early pick up at (208) 578-2273.
- At drop-off, campers will be screened for symptoms compatible with COVID-19. Parents will be asked to be on the alert for signs of illness in their children and to keep them home when they are sick.
- Hand hygiene stations will be set up at the entrance of the facility. Children are required to clean their hands prior to entering the building. Campers and staff will be required to wash hands or use hand sanitizer before and after snack/lunch, and frequently throughout the day.
