

What is the location and what are the hours of operation of the Summer Day Camp Program?

June 14 - August 20 (No Camp on July 5)
Monday – Thursday, 8:00 am – 5:30 pm
Friday, 8:00 am – 4:00 pm
HUB at the Community Campus Building
1050 Fox Acres Road
Hailey, Idaho 83333

How do I register and what is the cost of Summer Day Camp?

Pre-registration is required at www.bcrd.org. You must register for the week no later than 4:00 pm on the preceding Friday. Summer camp rates are \$150 per week or \$1350 for the entire season. Complete pricing information can be found on our website.

What are the ages for Summer Day Camp?

Camp is open to all full-time kindergarten graduates (rising 1st graders) through rising 6th grade ages. We recommend that campers complete full-time kindergarten before attending camp.

What does my child need for camp?

We ask that every child has a backpack to best carry all their belongings. Every child needs a cold lunch, two to three healthy snacks, sunscreen, a water bottle or two (12 oz minimum), athletic shoes (please no flip-flops), towel, swimsuit, a bike and bike helmet on their assigned bike days (see schedule), and a clean face mask.

How does drop-off and pick-up work?

Parents are not allowed inside the Community Campus to drop-off or pick-up their child(ren). Curbside drop-off and pick-up will occur outside the east side of the Community Campus, in the parking lot curb closest to the east side of the gymnasium wall. At drop-off, campers will be screened for symptoms compatible with COVID-19. Parents will be asked to be on the alert for signs of illness in their children and to keep them home when they are sick.

Preferred drop-off time is between 8:00 - 9:30 am at the HUB in the Community Campus Building. You will be greeted at the sign-in table where we will assure your child is checked-in on the roster. Preferred pick-up is between 4:00 – 5:30 pm Monday – Thursday and 3:00 – 4:00 pm on Friday at the HUB. Please check-out with a counselor and sign the roster before leaving with your child.

Can I drop my child off earlier than 8:00 am?

Our counselors arrive in time to plan and prep before the day begins, because of this, we suggest dropping your camper off no sooner than 8:00 am. There will be no adult supervision available until 8:00 am.

Where do I drop-off after 9:30 am?

Please call Kellee at (208) 727-7784 ten minutes before your arrival to allow time for him to locate your child/ren's group. He or a leadership team member will screen your child/ren before they are allowed to attend camp. If Kellee is not available, please call BCRD FitWorks front desk at (208) 578-2273.

How do I pick-up my child(ren) early?

Early pick-up is not suggested, but if you will be picking your child up before 4:00 pm, please send your camper with a note that morning, or call the day prior to early pick-up. The daily schedule can change at anytime, and our groups travel off-campus daily making unplanned early pick-ups difficult to coordinate. You may also email Kellee with details for early pickup at kblondell@bcrd.org.

Are the campers separated into different age groups?

Yes. Rising 1-2 graders will be in the Explorer Camp, rising 3-4 graders will be in the Discovery Camp, and rising 5-6 graders will be in the Challenger Camp.

Can my camper join a different age group?

To help keep camp safe, campers need to stay within their assigned age groups. Only in specific cases will the Youth Program Coordinator move a child to a different age group, after discussing with the parents of the camper.

Are field trips included in weekly registration? How do I register for field trips?

Yes, field trips are included with both weekly and all-summer camp registrations.

How often do campers apply sunscreen?

Campers are required to apply sunscreen every two hours. To help with this process, please spend time at home teaching your child the proper way to apply sunscreen. Our counselors will also be available to assist campers in applying sunscreen and ensuring campers do not share or apply sunscreen on one another. Campers are welcome to bring their own sunscreen, though we do provide natural broad spectrum sunscreen.

Are there refrigerators and microwaves for my camper's lunch?

No. Because the campers eat lunch outside, we do not supply microwaves or fridges for camper lunches. Please make sure to pack an ice-pack to keep lunches and healthy snacks cold.

Can my camper bring money to purchase snacks at the pool or in the HUB?

Snacks can be purchased at the pool during pool days. The Community Campus Café will be closed for the entire duration of summer camp. The BCRD is not responsible for any lost or stolen money at camp. We encourage sending your camper with only small bills.

How will my camper get to swim lessons from camp?

We are only able to accommodate transfers to swim lessons for campers enrolled in the 11:00 am swim lesson. If you prefer a different time slot for swim lessons, you must arrange your own transfer from swim lessons to camp for your camper. You must register for swim school separately.

Does the BCRD provide bikes and helmets?

BCRD does not provide loaner bikes. If your child needs a bike helmet or bike, please contact Jenna Vagias at jvagias@bcrd.org or Kellee Blondell at kblondell@bcrd.org.

Where do I park my camper's bike and helmet?

Bike parking is located in the backyard of the HUB. Please hang helmets on handlebars of your camper's bike. This will lighten the backpacks in the mornings. Labeling helmets and bikes will help us keep track of belongings while on outings.
